INFORMED CONSENT DECLARATION

By signing this declaration of consent, I acknowledge that I have read and understood all the terms stated herein below:

1. The medical practitioner / physician has fully and clearly explained the risks, outcomes, benefits and limitations of the genomics testing. I hereby give my free consent to the Clinic to conduct the Test on the sample provided by me.
2. I shall provide accurate medical and personal information about my age, medical history, health concerns, symptoms, dietary habits, allergies, medications, lifestyle habits, family history and/or any other details/questions that enables the Clinic to conduct and interpret the results of the tests effectively.
3. I shall not hold the Clinic responsible or liable for the interpretation or analysis of the tests conducted by the Clinic solely based on the medical information provided by me.
4. I understand that though genomics testing provide generally accurate results, several sources of errors are possible. Due to current limitations in technology and incomplete knowledge on genes and diseases, there is a possibility that the test results may be inconclusive or of unknown significance which may require further testing.
5. I hereby understand that the results/outcome of the tests is indicative and cannot be perceived as conclusive or guaranteed. Further clinical correlation may be required.
6. I understand that the Clinic is not a specimen banking facility and therefore the sample shall be discarded after 2 (two) months and shall not be available for future clinical tests.
7. I hereby provide my consent to the Clinic to store my personal data in safe custody in an encrypted form for medical research purpose.
8. I further consent and authorize to the collection, processing, use, storage and retention of anonymized data for ongoing test developments, educational, scientific research and/or other related activities.
9. I understand that the clinic shall not disclose or hand-over the results of the tests to anyone else other than me, unless required by law or expressly authorized by me.
1. I herein agree that a copy of this consent form is retained by me for any future use that may arise.

& I have read and agree to the informed consent above
